MEMORANDUM

Date: September 30, 2009

To: Tracy Fava, Region IV Children's Bureau, Administration on Children & Families

From: Susan Denney, CFSR-PIP Coordinator

Re: Georgia PIP Fourth Quarter Report

Attached please find Georgia's fourth quarter Program Improvement Plan report, including Parts A, B and C matrices as well as related documentation.

We have incorporated in the report the approved renegotiated action steps (and revised quarters due) related to risk assessment (Strategy II, Goal B), concurrent planning (Strategy III, Goal G), and permanency (Strategy III, Goal H).

As noted in our Quarter 3 submission, based on the data reported in Part C in Quarter 3, the statewide goals for CFSR Items 3, 7, 17 and 19 have been met as well as the goals for Fulton and DeKalb for CFSR Items 7 and 10 (based on Kenny A Outcomes 27 and 24, respectively). Based on the data reported for the fourth quarter in Part C, the state has also met the statewide goal for CFSR Item 18.

We look forward to your feedback on this report and your confirmation that the above measures have been met.

Thank you.
